

400 Club Notice

Brethren,

After a number of years The Erdington Masonic 400 Club has changed from £12.00 per ticket to £20.00 per ticket and you are encouraged to purchase a ticket/s and take out a Standing order. (Blank form enclosed)

As you know, the numbers are allocated on a first come first served basis, so your attention is required.

See the Very large number allocation sheet in the lobby, pick your number, fill in the standing order with your name lodge number and ticket number in the reference box.

Hand in the form to your Bank/Building Society.

If you have already have a current Standing order, thank you, but please remember to complete the amendment section on the Standing Order Form to reflect your new payment. And hand it in to your bank!!!!

The draw will take place in May 2018 so you still have time, but don't leave it too late as your number/s may be taken.
